MEMORANDUM FOR MR. PACKARD

SUBJECT: Use of Iris II Camera on U-2s

As you know the U-2s are flying with the H camera or the B camera depending upon depth of coverage which is desired.

25X1

25X1

DIA has several questions they would like answered:

25X1

To answer these questions, I would like the Iris camera used on one mission only.

25X1

NRO review(s) completed.

John L. McLucas
